

VOERTUIGCONSTRUCTIESYSTEMEN

|               |                             |
|---------------|-----------------------------|
| Productgroep  | Voertuigconstructiesystemen |
| Artikelnummer | 44001100                    |
| Slag [mm]     | 1410                        |

Technische gegevens

|                            |           |
|----------------------------|-----------|
| Merk                       | Interpump |
| Tredediameter [mm]         | 75.90     |
| Afmeting A [mm]            | 148       |
| Afmeting C [mm]            | 228       |
| Afmeting D [mm]            | 181       |
| Afmeting E [mm]            | 125       |
| Afmeting F [mm]            | 40        |
| Afmeting G [mm]            | 451       |
| Nettogewicht [kg] (gültig) | 56,00     |
